Staff will also provide the Board with additional information and details of the proposed process for creating a Community Advisory Committee to rename three school sites (additional school names may be explored at a later date). Staff will also review best practices related to Board Policy on this matter.

Background/Rationale: Sacramento City Unified School District strives to create a warm and welcoming environment for all students, staff, and community members. The renaming of school sites is part of the District's work in dismantling racism from within our system. School names, structures and symbols that upholds a legacy of racism, oppression, and exclusion shall not be tolerated. The names of our schools are a powerful symbol of our community values.

Financial Considerations: An allowance of \$100,000 to \$150,000 per site for, including, but not limited to, marquees, signage, removal of murals, refinishing of gym floors, and other. Each site is unique with its needs based on size, programs offered, and age of the facility.

LCAP Goal(s): College, Career and Life Ready Graduates, Safe, Emotionally Healthy and Engaged Students, Family and Community Empowerment, Operational Excellence
