Sacramento City Unified School District
Board of Education Meeting

December 17, 2020 Public Comments

Name: Row Gray

Comment: I write in support of the push to urge state leaders to prioritize teachers and staff as the vaccine rolls out. It would be great if this is also supported by SCTA or accompanied by other agreements with the labor partners about when re-opening of schools, at any levels and in any form as dictated by the latest science, can take place. Please keep pushing
