offered 2-by meetings with the Board to go over the information of these two slides closely.

President Pritchett noted the eight percent increase in health care costs.

Vice President Murawski thanked the team for presenting. She agrees with Member Garcia that we need the year to look at the preschool program, especially given family challenges that arose from COVID-19. She also feels common assessments are

She asked what criteria is required around budget approval. Mr. Schweitzer replied that the structural deficit is of significant concern to them and at second interim they identified other concerns of the fiscal history of the District and the potential for the District to fall back into a fiscal crisis where in a few years the District may again be imminently at

risk of insolvency.

Board Comments:

Member Villa said this is a fantastic roadmap that is very

robust. She is very happy with the report as it is thorough and detailed.

Vice President Murawski agreed with Member Villa's comments and said she is impressed and appreciates the stakeholder involvement. She asked how firm the goal is around early literacy. Mr. Harris spoke to this and said that this is one of the goals that is still formative at this point. Mr. Ramirez-Fong gave additional information. Vice President Murawski said she would like to know if it is an action within a goal itself and said it is an area in which she would like to see more focus. She wondered if the former operational excellence
