Board Comment

Vice President Murawski said she is in full support of the resolution and happy to motion to approve it at the appropriate time. She asked the Superintendent to speak on transparency, accountability, and future updates and reports regarding these funds.

Member Villa said she agreed with Vice President Murawski's comments and also brought up the matter of using the funds in line with the LCAP.

President Pritchett thanked Member Garcia for her work on this.

Member Phillips said she wanted to make clear that the document does not include details on

positions and that her understanding is that those details would be coming later. President Pritchett said that is correct.

Vice President Murawski motion to approve, and Second Vice President Woo Seconded. The motion passed unanimously.
