Requirements for Membership in the State Teachers Retirement System (STRS)

Membership in the STRS is mandatory whenever a non-contract employee (except long-term or day-to-day substitutes) works sixty (60) hours or ten (10) days in a pay period. This required membership continues even though the hours or days worked per pay period decrease. Long-term or day-to-day substitutes mandatorily qualify for STRS after he/she has served 100 days.

Employees who are not required to join the STRS may elect to join if they desire. If you elect to join, you must contact the retirement technician at 643-9064, or write to him/her at the Sacramento City Unified School District, P.O. Box 246870, Sacramento, CA, 95824-6870. Include your telephone number and address in your letter so we may contact you if necessary.
